

BOURBON GUN CLUB

Nine members of the Bourbon Gun Club attended the State tournament held at Louisville last Wednesday, Thursday and Friday. All report having had a fine time and having enjoyed the shoot very much. The Bourbon boys gave a good account of themselves by their shooting at the elusive targets as the scores below will show. Headed by the president, vice-president and secretary, in company with six others, they went to Louisville to get, and succeeded in getting, the 1922 State shooting tournament for Paris.

This tournament will be held some time next year, probably about the latter part of July or the first week in August. One of the Bourbon Gun Club members, J. Quincy Ward, was elected president of the Kentucky Trapshooters League for the coming year. The next regular shoot of the Club will be held on the Club grounds in East Paris on Friday, August 5.

The following scores were made by the Bourbon members at the State tournament:

	Shot at	Broke
Amos Turney	300	289
J. C. Kenney	300	285
Alfred Clay	300	285
Fred Burgin	300	293

Hiram Roseberry	300	268

THE DROUTH BECOMING SERIOUS MATTER.

This has been one of the most trying times of the season on growing vegetables, as the sun has been scorching hot for weeks and very little rain has fallen to relieve the situation. The tobacco crop is being cut down every day and the dry weather continues. One conservative farmer stated he considered his tobacco crop cut at least ten per cent. the past week.

Even the gardens have dried up and farmers who own hundreds of acres of land were in town buying green beans from the grocers and quite a number are buying potatoes as they did in the winter season. Stock water is becoming very scarce in many localities, and the grass in pastures is literally burned brown.

Farmers say the corn crop is cut in half, the question of whether or not to prepare winter stock is confronting them, and they are not looking to the future any too hopefully.

The forty-ninth annual Colored Christian Church State Missionary Convention, which has been in session in this city all last week, closed Sunday afternoon, when an address was delivered by Rev. W. E. Ellis, pastor of the Paris Christian church.

A large number of delegates, representing most of the churches in the State, were present, and took part in the proceedings. E. M. Hardin, of Lexington, presided over the Sunday school department. The meetings were largely attended and great interest was manifested. Two addresses that were of especial interest were those delivered by R. M. Hopkins, of St. Louis, Mo., representing the United Christian Missionary Societies.

WALLIS GIVES ALIENS THRILLING SENSATION

Tom Underwood, in his column, "Daily Jots," in the Daily Kentucky New Era, Hopkinsville, reprints a story from the New York World about a stunt Commissioner Frederick A. Wallis, formerly of Paris, introduced at Ellis Island. The story mentions the struggles of immigrants with American food which came to a climax in the serving of 17,000 plates of ice cream. The article says:

"The idea behind the ice cream was to give the immigrants a real treat on their reaching the land of promise."

"What happened was a marvel to witness. The first persons served were a Balkan native and a negro from East India. He looked around and saw that the Balkan opposite him had a bigger piece. Greedily he grabbed for it. Then the fight began. Both were well smeared in the face with the food."

"The other diners touched the ice cream and finding it cold, thought they knew the trick. The stunt was to smear the cold substance on your neighbor's face. This happened several times. Then someone tasted the ice cream and with a whoop announced it was manna too precious to be wasted on countenances. The head steward said the same thing in eight languages he speaks. The face-smearing ceased abruptly."

"But the final experiment was yet to be made. The real genius of the meal took up his knife and a piece of bread and spread the new butter tenderly over it. He started the fashion with a bang and all the rest enjoyed the ice cream that way."

HENDERSON WINS STATE CHAMPIONSHIP SHOOT.

Woodfolk Henderson, of Lexington, was high gun in the Kentucky State shoot, which closed Friday at the Louisville Gun Club. Henderson, with 196 hits out of 200 targets for the two days, was closely pressed by A. B. Harris, of Louisville, who totaled 195. Below them were some of the leading shots of America.

In addition to pressing Henderson closely for honors in this event, Harris was high man for all targets shot, with 393 out of 400, and average of better than 98 per cent. Henderson was second with 390. Harris also won the handicap event with 99 out of 100 targets.

Dr. R. G. Falls, of Louisville, captured the challenge cup with a perfect one hundred.

Several members of the Bourbon Gun Club attended, and took part in many of the big events.

LIVESTOCK NOTES

Cattle feeders of Bourbon county have sold several loads of heavy steers recently at prices ranging from 7 1/4 to 8 cents per pound. Many of these cattle were purchased a year ago for as high as ten cents per pound. Prospects for next winter's feeding look very good, because feeder steers can be bought in line with the prices received for fat cattle. At Mt. Sterling, Henry S. Caywood, of North Middletown, buyer for Swift & Co., of Chicago, bought two hundred 1,350-lb. cattle, from Sharp Bros., of Sharpsburg, at prices ranging from seven to 7 1/2 cents per pound. Mr. Caywood also bought of B. T. Wright one hundred and thirty-four head, averaging about 1,350 pounds at 7 1/4 to 7 1/2 cents. W. A. Thomason purchased of A. B. Ratliff fifty 1,400-lb. cattle at 7 1/2 cents per pound.

NEWPORT DEFEATS PARIS

Baseball fans groaned in despair Sunday afternoon, when after the game between the Paris Ruggles team and the Newport Pelicans had been tied, the Pelicans landed on Comparoni's delivery in the last half of the ninth inning, and slugged their way to a 8 to 3 victory. Both teams registered zero until the third inning, when the Pelicans pulled three runs across the rubber and set the fans' nerves on edge. In the sixth Paris rallied and came through with three runs, two men being on bases when a long hit by Burnett scored all three, tying the score.

The fans hoped in vain for a slugfest to come to the aid of the home team, but nothing happened until the Pelicans' half of the last inning when they sewed the game up tightly by heavy hitting. One of the features of the game was a long running catch of a hard hit fly by outfielder "Tap" McFarland, for the Paris team. Hinlinger, the Pelicans' twirler, held the opposing team's hits scattered. Comparoni twirled a good game and deserved better support. The batteries were: Paris Ruggles, Comparoni, Berryman and Goodman; Newport, Hinlinger and Jaquard. Attendance, 1,000; Umpires, McDermott and Neal. The score by innings:

Newport... 003 000 005—3

Paris... 000 003 000—3

The Ruggles team has booked a game for next Sunday afternoon, July 31, with the Falmouth team, said to be a very strong amateur team. The game will be called promptly at three o'clock. Paris will be considerably strengthened for this game, and the fans will get a good run for their money.

The Presbyterian baseball club and the Christian church club will cross bats at the Second street park at 3:30 on Wednesday afternoon. Admission free.

ONE ON THE CANDIDATES

In County Judge Batterton's Court last week a man named Bryan from near Paris, was being tried on a charge of being of unsound mind. A jury was impaneled and sworn in. Every man on the jury was a candidate for office. When the hearing began Bryan inquired: "Are those the men who are going to try me for lunacy?" Upon being answered in the affirmative he exclaimed: "Why, they are everyone candidates and if I am crazy they are the ones who made me that way worrying me about their claims for the offices they want."

He was discharged as being of good, sound mind. The laugh was on the jury.
